

TROOP 85

CAMPOUT SIGN-UP POLICY

REASON:

It is the intention of Troop 85 to provide an outdoor camping experience on a monthly basis to the scouts. Due to the large number of scouts in the troop, a campout sign-up policy has been set forth to help expedite the planning and preparation for these campouts. The established rules will allow for the arrangement of transportation and insure that the proper funds are available to the scouts for the purchasing of supplies for the camp-out.

CONDITIONS:

1. Sign-up and payment must be completed by the second Tuesday (10 days) by 7:30 p.m. before the campout is scheduled. The Troop Treasurer will have a sign-up sheet available. If you would like to go but cannot attend the meeting, please call your SPL, Scoutmaster, or Troop Treasurer. For example: If the campout is scheduled for Friday, January 23-25, a scout must have signed-up and paid by Tuesday, January 13.
2. Initial planning for the campout will occur the second Tuesday before the scheduled campout.
3. Anyone not signed up and paid by the second Tuesday before the scheduled campout will not be allowed to go on the campout. Extenuating circumstances should be discussed with the Scoutmaster.
4. Occasionally, the troop will plan special activities, i.e. Lincoln Heritage Trail, Baraboo Circus World, Eagle Cave, etc., that require fees to be paid earlier.. The troop will make special announcements and associated arrangements, as required.
5. The Troop 85 committee recognizes that there may be an unexpected emergency that prohibits a scout from paying the fee on schedule. Exceptions will be granted on an individual basis after a review of the particular situation.
