

Troop 85

Dear Parents:

According to council policy, our troop must complete a council permission form each time we travel away from our meeting place on a field trip or camping trip. On this form we must list every driver and their vehicle information. Since last minute changes sometimes occur, it is helpful to keep a master list of drivers on file at the council office. **It is time to submit an updated list.** Below is a form for you to complete and return to a meeting or via e-mail. Even if you do not usually drive, please complete the form for all cars that you may drive.

Thanks
